

She Was Good

God's greatest creation
Made in His image
Is the beloved human kind.
Perhaps, in a way,
Created on that same day,
So also is the dog.
"Kind, faithful, and true;
A good companion for you,
Second only to your wife.
I am your God
Bestowing my features in this dog,
And I say it is good... A good dog."

What soul has a dog?
After death, does it move on?
I hope so, so I can see Violet again.
She was the best.
I loved her more than the rest.
I hope in Heaven to see her then.
